MEMO FOR: [redacted] Office of Personnel

SG1I VIA: [redacted] Director of Research and Development

SG1I FROM: [redacted] Emerging Programs Group, ORD

SG1I SUBJECT: Request to Amend Independent Contract of  
[redacted]

I would like to amend [redacted] contract so that  
ORD can specifically task him to facilitate transfer of a  
technical program (Star Gate) from another government agency  
to CIA. I have enclosed draft language with the specific  
tasking and a fee structure for this tasking. I understand  
that the contract is active during fiscal year 1995. If  
tasking is not completed by 30 Sept. 1995, I anticipate  
renewing his contract for FY 1996 in order to complete the  
tasking.
